Refund Policy:

The Registration Fee and the Book & Resource Fee are non-refundable/non-transferable. The June and July tuition (or the equivalent amount if Prepayment plan was selected) is non-refundable. If a student is registered at CBCS for any part of a month that school is in session (including August), the full monthly tuition is due.

Late Charges:

Monthly Tuition is to be paid in advance and is due and payable on the first day of each month, according to your selected plan. **It is your responsibility to remember, as we do not mail out monthly bills.** There will be a late charge of \$25 on any account when the tuition has not been paid by the 10th day of each month. If an account is past due for more than thirty (30) calendar days, the parent will be asked to remove the student from school unless adequate arrangements have been made with the Administration. When there is an outstanding balance on a student's account, report cards are held and no records will be transferred. **Weekly Daycare** payments are due Monday of each week, and a late fee of \$10/student will be applied if payment is not made by Tuesday afternoon. If payment is two weeks past due, student cannot attend Daycare until account is current. Children must be picked up from Daycare on time; if not, \$1 per child per minute (beyond your scheduled pick-up time) will be charged.

Returned Checks:

A fee of \$20 will be charged for a returned check.

Textbook Policy:

If a textbook is lost, stolen, or damaged beyond usability, the student will be required to purchase another textbook from the school at its full replacement cost. All hardbound textbooks are the property of the school and must be covered at all times. These books must be returned without excessive wear at the completion of the school year or an additional fee will be assessed. The Book Fee is based on part consumable and part school-rental books.

(See other side for Fee Schedules.)

In calculating your tuition payments if you have more than one child, remember that we give a 10% discount for your 2nd child and a 15% discount for your 3rd and additional children thereafter. You pay full tuition for your youngest, and the discount comes off the tuition for your older children (thus giving you the advantage, as the discounts are applied to the higher rates).
