

Week 46
314/51

Transforming Daily
“...by our God...”
Nehemiah 6:16

As a believer, how often does it occur to you that the God of the universe lives within you? The God of creation lives within us! He not only created the universe, but He also created you! Many believe or at least agree that God is in control of the big things of this world, but when it comes to the little things, not so much. However, the Bible is clear that whether with Nehemiah in building the walls of Jerusalem or with us building a house of cards with our children, God is there.

One man has rightly said, “God is into details.” From knowing the number of hairs on our heads to the numbers of sparrows that are flying, God is interested and involved in the intricate details of our lives. As a matter of fact, He is not only involved, He either assigns, arranges, appoints or allows all events that transpire. One might say, “Even sin?” Yes, God allowed sin to enter the world and allows it to continue until He completes His purpose.

Nothing occurs to God. He is omniscient and knows every detail about all things. God knew that Nehemiah was going to complete his task even before Nehemiah knew there was going to be an assignment. The only thing required of Nehemiah was faith in, and obedience to, God’s Word. It is the same for the 21st century believer.

When the believer does exercise faith in, and obedience to, God’s Word, He is glorified, they are encouraged, the lost are drawn to Christ, and God’s enemies are confounded. The believer is purposed by God to share His name and give witness to His Word. Our response in every endeavor is to share Christ in the power of the Holy Spirit and leave the results up to God.

When was the last time you introspectively pondered the existence and presence of God in your life? Do you believe that God is into details and specifically into the details of your life? Does your life bring spiritual inspiration and godly influence to others by our God?
