A Message From Dr. Martin

As of the writing of this note, we have already completed six weeks of school; and the end of the first grading period is in sight. We have marked off several events on our calendar and look forward to a new month focused on the harvest season.

The Jewish calendar celebrates the season of Sukkot, or the Feast of Tabernacles, in which they remember the journey through the desert to the Promised Land. All along the way, God demonstrated himself as the great Provider, giving them food and water. Centuries later Jesus reminded us, “*The harvest is abundant, but the laborers are few. Pray to the Lord of the harvest to send out workers into His harvest*” (Matt. 9:37-38).

We pray the everyday events that occupy our time will serve to harvest the souls to a better understanding of Jesus Christ and His ministry. Please continue to pray for our ministry as we attempt to do our part of the harvest.

As always, thank you for allowing us the great privilege of being a part of the Christian education of your children.

In Christ,
Dr. Martin

27th Annual Walk/Run-A-Thon

The date of our 27th Annual Walk/Run-A-Thon will be Friday, October 19.

During the Kick-off Assembly on Sept. 20, students received their Walk/Run-A-Thon envelopes for collecting pledges and donations.

All students who turned in a \$20 donation by Tues., Sept. 25, enjoyed ice cream sundaes scooped by Dr. Martin & Pastor West during their lunch time the next day. This initial promotion helped to jump-start us towards our goal of \$11,000. All funds will be used for Playground Upgrades and Transportation Vehicles. If we meet our school-wide goal, all the students will enjoy an extra day off from school the day after Thanksgiving Break (Nov. 26).

The PreK3, VPK, and Kindergarten students will walk/run laps in the gym. The 1st-12th graders will walk/run laps around the athletic field. Many parents are needed to help count laps. Please plan to come and help - or just cheer your kids on & watch the fun. (See schedule on page 1.)

Every student collecting at least \$50 in flat donations & pledges will receive our annual Walk-A-Thon T-shirt. With at least \$150 collected, they will also qualify for Bowling & Lunch with Dr. Martin/Pastor West. In addition, there will be two Grand Prizes - a fresh, new \$100 bill for the student who collects the largest amount in PreK-5th - and another \$100 for the student who collects the most in 6th-12th.

There are also exciting classroom incentives:

The class (PreK-5th) with the highest percentage of money collected by Nov. 5th (and with at least \$30 collected by 50% of the students in that class) will win a “Dave & Busters Party” !

The class (6th-12th) with the highest percentage of money collected by Nov 5th (and with at least \$30 collected by 50% of the students in that class) will win “Sky Zone & Lunch @ CiCi’s” !!

And ... there will be a prize for the teacher of the very top class - a \$25 Scrip gift card & a day off, with Dr. Martin or Pastor West teaching the class!

The following Tuesdays & Thursdays are our “Collection Days”: Sept. 25 & 27; Oct. 2, 4, 9, 11, 16, & 18. By turning in any amount of money on those designated Tuesday & Thursday Collection Days, your student will be entered in various drawings. Always send the money in your student's Walk envelope. (The envelopes will be returned to the students after the money is removed and recorded so that they can continue collecting.) **In order to qualify for shirts and all other awards, please remember that the money must be turned in by November 5.**

In the Walk-A-Thon envelopes, there are form letters for out-of-town friends and family for you to ask them to partner with us and support your child. Using the addressed mailing labels that you supply, we will send out those letters in a bulk mailing on Oct. 10. For every 5 mailing labels/letters your student turns in by Oct. 9, he/she will receive a certificate for a Dress Pass (maximum of 2). Specific dates will be set for the use of those dress passes.

On the day of the event, our 12th graders will sell snow-cones (\$1). Remember that the Walk date will be a half day of school.

***Parents, we again thank you for your prayers
and your continued support of Kingdom education.***

Note: There will be an opportunity for businesses to sponsor our Walk-A-Thon shirts. If you would be interested in having the name of your business printed on the back, the sponsorship cost will be \$100. Forms are available in the office.

Scrip News

For the month of October we will have a Scrip contest! The class that purchases the most Scrip cards will earn a pizza party with Mrs. Craven! For every card purchased there will be one point given to the class of that student. It won't go by the dollar amount but by the quantity of cards. For an example if Jeremy Johnson's mom purchases 5 Publix Scrip cards, his class will get 5 points. Will it be your class that wins?

Have you had a pizza night lately? Scrip offers *Pizza Hut*, *Papa Johns*, *Little Ceasars*, and *Dominos*. *Little Caesars* comes in \$20, and the other three in \$10 increments. Stop by the Scrip store in the office on Fridays and check out our inventory.

The holidays are coming up soon, and Scrip will be offering lower-increment cards for several different stores and restaurants. They make wonderful birthday gifts or Christmas presents. Stay tuned for more information on them!

Also, don't forget we carry *Amazon* Scrip for those online shoppers. Now is a great time to get started on your Christmas list!

Let's get Scripping!

Mrs. Craven

It was a fun time to enjoy the fellowship & the delicious desserts. In the Best Dessert contest, the judges above had a tough decision, but you can see they enjoyed their assignment! Congratulations to:

"Learning Fun" in Science Labs:

6th grade Biology students build "unshakeable" structures to remain standing in an earthquake - and then test them!

Chemistry students separate salt from a salt-water mixture, trying to reclaim all the salt.

Physical Science students explore the difference between a physical change and a chemical change.

Reading is Fun, Too: Just Ask Sofia!

Only one month into school and Sofia Caserta in Mrs. Rice's 5th grade already earned her *Reading Counts* medal! Our library director, Mrs. Bateman, made the presentation during Chapel. Sofia is a new student at CBCS this year.
